

Employee Travel and Reimbursement Policy

Document ID: HR-TRV-2026-003 | Version: 4.0 | Effective: 1 July 2026

1. Purpose

This policy establishes the requirements for business travel, eligible expenses, receipts, approvals, and reimbursement. It applies to employees travelling on approved company business.

2. Travel Approval

Employees must obtain manager approval before booking travel. International travel also requires approval from the relevant department head.

3. Accommodation Limits

Location	Nightly limit	Notes
Lagos	₦120,000	Standard business accommodation
Abuja	₦110,000	Standard business accommodation
Port Harcourt	₦100,000	Standard business accommodation
International	Actual reasonable cost	Department approval required

4. Transportation

Employees should use reasonable and cost-effective transportation. Air travel should normally be booked in economy class unless an approved exception applies.

5. Receipts and Reimbursement

Expense claims should be submitted within 10 business days after the employee returns from travel. Receipts are required for reimbursable expenses above ₦20,000.

6. Exceptions

Exceptions require written approval from the Finance Director or an authorized delegate. An exception approval should be retained with the expense claim.
